

# Camera and Video Creator Kit — Mobile Station #6

[Canon EOS Rebel T6i Video Creator Kit](#)

[Chromakey green screen](#)

---

The station includes a Canon camera and video creator kit, a Hoya digital filter set, and a 6 x 9' Chromakey green backdrop. The camera includes an SD card to save photos and videos, although users might want to bring their own cards as well. This kit may be used in conjunction with the iMac that includes media editing software such as Photos and iMovie.
